PROFIT WARNING

This announcement is made by AI Energy Engineering Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts and information currently available to the Group, the Group is expected to record a net loss attributable to owners of the Company of not less than HK\$10 million for the year ended 31 December 2025 (the “**Year**”) as compared with the net profit attributable to the owners of the Company of approximately HK\$0.5 million for the year ended 31 December 2024. The Board considers that such loss is mainly due to a decrease in revenue as a result of a deterioration in business volume during the Year, coupled with a decrease in overall gross profit margin.

The Group is still in the process of finalising the annual results of the Group for the Year. The information contained in this announcement is based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group and the information available for the time being. Such information has not been confirmed or reviewed by the auditors of the Company and may be subject to change. Further details of the Group’s financial results and performance for the Year will be disclosed in the annual results announcement of the Company, which is expected to be published on 26 March 2026 in accordance with the Listing Rules.

Shareholders and potential investors are, therefore, advised to exercise caution when dealing in the shares of the Company.
